**Subject: Sediment Management Decision Tree Annual Report for Calendar Year 2017**

Dear Mr. Kieling:

This letter serves as the U.S. Department of Energy Environmental Management Los Alamos Field Office (EM-LA) submittal of information required by the New Mexico Environment Department (NMED) letter dated June 1, 2017, "Approval, Sediment Management Decision Tree Guidance" (HWB-LANL-17-018). In the approval letter, NMED requires submittal of an annual report that documents sediment management activities at Los Alamos National Laboratory by April 30 of each year. During the period of June 1, 2017 (NMED's approval date of the decision tree guidance) to December 31, 2017, there was no collection, characterization, or land application of sediment. Therefore, no sediment management data under the Sediment Management Decision Tree Guidance are reported for calendar year 2017.

If you have any questions, please contact Jennifer von Rohr at (505) 695-4365 (jennifer.vonrohr@em-la.doe.gov).
