**Subject: 15-Day Corrective Action Field Activities Notification for Technical Area 21**

Dear Mr. Kieling:

Newport News Nuclear BWXT-Los Alamos, LLC (N3B) is scheduled to begin mobilization of corrective action field activities at Technical Area 21 in mid-July. Demolition, investigation, and remediation activities are expected to last approximately 1 year. A letter report summarizing the initiation of investigation activities associated with waste lines at DP West will be submitted by September 30, 2019, per Appendix B of the Compliance Order on Consent.

If you have any questions, please contact Peter Stilwell at (505) 551-2695 (peter.stilwell@em-la.doe.gov).

Sincerely,

Michael Erickson  
RCRA Remediation Director, Acting  
Environmental Remediation
