Santa Fe, NM 87505-6313

Subject: Sediment Management Decision Tree Annual Report for Calendar Year 2019

Dear Mr. Pierard:

This letter serves as the U.S. Department of Energy Environmental Management Los Alamos Field Office (EM-LA) and Newport News Nuclear BWXT-Los Alamos, LLC (N3B) submittal of information required by the New Mexico Environment Department (NMED) letter dated June 1, 2017, "Approval, Sediment Management Decision Tree Guidance" (HWB-LANL-17-018). In the approval letter, NMED requires submittal of an annual report that documents sediment management activities at Los Alamos National Laboratory by April 30 of each year. During the period of January 1, 2019, to December 31, 2019, there was no collection, characterization, or land application of sediment. Therefore, no sediment management data under the Sediment Management Decision Tree Guidance are reported for calendar year 2019.

If you have any questions, please contact Jennifer von Rohr at (505) 695-4365 (jennifer.vonrohr@em-la.doe.gov) or Cheryl Rodriguez at (505) 257-7941 (cheryl.rodriguez@em.doe.gov).

Sincerely,

FOR
