**Subject: Sediment Management Decision Tree Annual Report for Calendar Year 2020**

Dear Mr. Pierard:

This letter serves as the U.S. Department of Energy Environmental Management Los Alamos Field Office (EM-LA) and Newport News Nuclear BWXT-Los Alamos, LLC (N3B) submittal of information required by the New Mexico Environment Department (NMED) letter dated June 1, 2017, "Approval, Sediment Management Decision Tree Guidance" (HWB-LANL-17-018). In the approval letter, NMED requires submittal of an annual report that documents sediment management activities at Los Alamos National Laboratory by April 30 of each year. During the period of January 1, 2020, to December 31, 2020, there was no sediment collection, characterization of sediment, or land application of sediment. Therefore, no sediment management data are reported for calendar year 2020 under the Sediment Management Decision Tree Guidance.

If you have any questions, please contact Jennifer von Rohr at (505) 695-4365 (jennifer.vonrohr@em-la.doe.gov) or Cheryl Rodriguez at (505) 414-0450 (cheryl.rodriguez@em.doe.gov).

Sincerely,

Joseph Murdock  
 Program Manager  
 Environment, Safety and Health  
 N3B-Los Alamos

Sincerely,

M Lee Bishop for
