Mr. Ricardo Maestas, Acting Chief

New Mexico Environment Department
2905 Rodeo Park Drive East, Building 1

Subject: Settlement Agreement and Stipulated Final Order HWB-14-20, Annual Report for Period Ending July 22, 2021 (EPA ID# NM0890010515)

Dear Mr. Maestas:

The United States Department of Energy (DOE) and its field offices, the National Nuclear Security Administration Los Alamos Field Office (NA-LA), and the DOE-Environmental Management Los Alamos Field Office (EM-LA), along with Triad National Security, LLC (Triad), and Newport News Nuclear BWXT-Los Alamos, LLC (N3B) collectively, the Permittees, submit this Annual Report (Report) for the period ending July 22, 2021. The Report is submitted as required by Attachment A of the Settlement Agreement and Stipulated Final Order (SFO) HWB-14-20 entered into by the New Mexico Environment Department (NMED) (Complainant) and DOE and Los Alamos National Security, LLC (LANS) (Respondents) on January 22, 2016.

On November 30, 2018, operations responsibilities at Los Alamos National Laboratory (LANL) were transferred from LANS to Triad. On April 30, 2018, N3B assumed Environmental Management (DOE-EM) scope of work at LANL. In 2020, Triad and N3B technical staff met with the NMED Hazardous Waste Bureau (NMED-HWB) staff to discuss a joint (NA-LA/EM-LA) submittal of the Report to meet the NMED-HWB compliance expectations.

This Report respectfully provides required information within two Enclosures; Enclosure 1 is an updated SFO Attachment A Table and certification for Triad/NA-LA operations. Enclosure 2 includes Attachment A Table and certification for N3B/EM-LA operations.

Many of the Ordered Actions in SFO Attachment A refer to specific procedures. When the procedures are referenced in Attachment A under the column "Documentation to Provide as Evidence of Completion," the following requirement is found:

Provide periodic [Semi-annually, or upon NMED request] listing of document(s) revision.

It was agreed that the Respondents would provide the required document list on January 22 and July 22 of each year. However, the NMED-HWB has updated the reporting requirements as of August 31, 2020 per ESHID-603595, "Respondents have met the notification requirements of the Settlement Agreement and Stipulated Final Order HWB-14-20. NMED is reducing the frequency of reporting from semi-annual to annual". Enclosures 1 and 2 list all procedures revised since they were initially submitted to the NMED-HWB as part of the Ordered Action responses, along with the revised effective dates. As stated in Attachment A, electronic access to any and all current document revisions will be provided by the respective respondent upon the NMED-HWB request.

If you have questions or comments concerning the NA-LA/Triad Enclosure 1 submittal, please contact Karen E. Armijo (NA-LA) at (505) 221-3664 or Patrick L. Padilla (Triad) at (505) 412-0462.

If you have questions or comments concerning the EM-LA/N3B Enclosure 2 submittal, please contact Arturo Duran (EM-LA) at (505) 257-7907 or Emily Day (N3B) at (505) 695-4243.
