Subject: Settlement Agreement and Stipulated Final Order HWB-14-20, Annual Report for Period Ending July 22, 2022 (EPA ID# NM0890010515)

Dear Mr. Shean:

The United States Department of Energy (DOE) and its field offices, the National Nuclear Security Administration Los Alamos Field Office (NA-LA) and the Environmental Management Los Alamos Field Office (EM-LA), along with Triad National Security, LLC (Triad) and Newport News Nuclear BWXT-Los Alamos, LLC (N3B), collectively, the Permittees, submit the enclosed Settlement Agreement and Stipulated Final Order (SFO) HWB-14-20, Annual Report for Period Ending July 22, 2022 (Annual Report) to the New Mexico Environment Department-Hazardous Waste Bureau (NMED-HWB). The Annual Report is submitted as required by Attachment A of the Settlement Agreement and SFO HWB-14-20, entered into by the NMED, DOE and Los Alamos National Security, LLC (LANS) on January 22, 2016.

On November 30, 2018, operations responsibilities at Los Alamos National Laboratory (LANL) were transferred from LANS to Triad. On April 30, 2018, N3B assumed the Environmental Management scope of work at LANL. In 2020, Triad and N3B technical staff met with the NMED-HWB staff to discuss a joint (NA-LA/EM-LA) submittal of the Report to meet the NMED-HWB compliance expectations.

This Report respectfully provides required information within two enclosures. Enclosure 1 is an updated SFO Attachment A table and certification for NA-LA/Triad operations. Enclosure 2 is an updated SFO Attachment A table and certification for EM-LA/N3B operations.

This Annual Report is composed because many of the Ordered Actions in the SFO Attachment A refer to specific procedures. When the procedures are referenced in Attachment A under the column "Documentation to Provide as Evidence of Completion," the following requirement is found:

Provide periodic [Semi-annually, or upon NMED request] listing of document(s) revision.

Enclosures 1 and 2 list all procedures revised since they were initially submitted to the NMED-HWB as part of the Ordered Action responses, including the revised effective dates. As stated in Attachment A, electronic access to all current document revisions will be provided by the respective respondent upon the NMED-HWB request.

It was agreed that the Respondents would provide the required document list on January 22 and July 22 of each year; however, the NMED-HWB updated the reporting requirements as of August 31, 2020, pursuant to ESHID-603595, "Respondents have met the notification requirements of the Settlement Agreement and Stipulated Final Order HWB-14-20. NMED is reducing the frequency of reporting from semi-annual to annual."

If you have questions or comments concerning the NA-LA/Triad Enclosure 1 submittal, please contact Karen E. Armijo (NA-LA) at 505-665-7314, karen.armijo@nnsa.doe.gov or Patrick L. Padilla (Triad) at 505-412-0462, plpadilla@lanl.gov.

If you have questions or comments concerning the EM-LA/N3B Enclosure 2 submittal, please contact Arturo Duran (EM-LA) at 505-257-7907, arturo.duran@em.doe.gov or Christian Maupin (N3B) at 505-695-4281, christian.maupin@em-la.doe.gov.
